Degree Candidacy Approval
 Some graduate programs require students to be accepted as degree candidates following completion of nine (9) semester hours of courses included within the planned program of study. Six (6) semester hours of the nine required must be from the major area (such as Counseling.). Acceptance as a degree candidate indicates that department faculty have reviewed your academic performance and approve your status as a degree candidate. Degree candidates must have a minimum graduate cumulative average of 3.00 and must meet requirements for candidacy established by the academic department.

Non-Course Program Requirements
 Some graduate programs require students to complete non-course activities. Students should consult the program chair/coordinator to discuss how to meet these requirements and appropriate notification procedures.
